California taxes the full price — a trade-in does not reduce sales tax. DMV fees are estimates; the CA DMV fee calculator gives exact amounts.

The repair reserve is set from the reliability rating and mileage: money to set aside, not a forecast.

Insurance

Coverage	Typical Ridgecrest range	Estimate used
Liability only (CA minimum 30/60/15)	$49–$112/mo	$70/mo
Full coverage (liability + collision + comprehensive)	$94–$243/mo	$135/mo

The budget above uses the **full coverage** estimate ($135/mo). Get real quotes and enter one in the app to replace it.

• Vehicle class: common sedan/hatch. Estimates assume an adult driver with a clean record; age, record, credit, and coverage limits change the price a lot.

• Ridgecrest is one of the cheapest places in California to insure a car (about $107–110/mo average).

• A lender will require full coverage. On an older, cheap car paid in cash, liability-only can make sense — but you'd pay for your own repairs after an at-fault accident.

• California's minimum (30/60/15) is low; $100k/$300k/$100k liability is commonly recommended.

• Ask about military/government discounts (NAWS China Lake), bundling, and low-mileage discounts.

Reliability

Rating: Average (3/5)

Camry durability is excellent, but the 2007-09 2.4L can burn oil from its piston rings; check oil level and ask how often it needs topping up.

• Water pump leaks

• Accident on record - inspect repairs

Check on this car before buying

• Oil level/consumption

• Body panel gaps and paint match (accident repair)

• Airbag light off

• Run VIN for recalls

Notes

$6,195 (about $7,029 out the door), 146,706 mi. AutoCheck: clean title, ACCIDENT REPORTED, single owner, FLEET use. 8% below market; listed 80 days.

Ask what the accident was and get a body-shop look for frame/airbag repairs. Fleet cars are usually serviced on schedule. A little over the $6k range; long listing time = room to negotiate.
