Budget — paying for it

Down payment	$5,000.00
Amount financed	$4,103.90
Monthly loan payment (60 mo @ 7.5% APR)	$82.23

Running costs without the loan: **$385/mo**. Estimated first-year cost of ownership: **$14,159** (out-the-door + inspection + 12 months of running costs + loan interest).

The repair reserve is set from the reliability rating and mileage: money to set aside, not a forecast.

Insurance

Coverage	Typical Ridgecrest range	Estimate used
Liability only (CA minimum 30/60/15)	$49–$112/mo	$70/mo
Full coverage (liability + collision + comprehensive)	$94–$243/mo	$135/mo

The budget above uses the **full coverage** estimate ($135/mo). Get real quotes and enter one in the app to replace it.

• Vehicle class: typical car. Estimates assume an adult driver with a clean record; age, record, credit, and coverage limits change the price a lot.

• Ridgecrest is one of the cheapest places in California to insure a car (about $107–110/mo average).

• A lender will require full coverage. On an older, cheap car paid in cash, liability-only can make sense — but you'd pay for your own repairs after an at-fault accident.

• California's minimum (30/60/15) is low; $100k/$300k/$100k liability is commonly recommended.

• Ask about military/government discounts (NAWS China Lake), bundling, and low-mileage discounts.

Reliability

Rating: Average (3/5)

The 2nd-gen Prius is one of the most reliable cars ever built, but this one is 18 years old: the main risk is the hybrid battery (a refurbished pack is roughly $1,500-3,000) and other age-related hybrid parts.

NHTSA data for this model year: 4 recalls · 1,497 owner complaints (152 involving a crash). Most complaints: Exterior Lighting (579), Service Brakes (395), Electrical System (235), Hydraulic (171), Vehicle Speed Control (156), Electric (77).

Known issues for this model

• Hybrid battery capacity loss with age

• Brake actuator / ABS pump failure (expensive)

• Combination meter (dash display) failure

• Some 1.5L engines burn oil; EGR clogging at high miles

Check on this car before buying

• Hybrid battery health test at an independent hybrid shop (worth paying for)

• No warning lights (triangle / ABS / check engine)

• Dash display works

• Ask the dealer what the 3-day return terms are (CARS Act)
