Budget — paying for it

The repair reserve is set from the reliability rating and mileage: money to set aside, not a forecast.

Insurance

Coverage	Typical Ridgecrest range	Estimate used
Liability only (CA minimum 30/60/15)	$49–$112/mo	$70/mo
Full coverage (liability + collision + comprehensive)	$94–$243/mo	$135/mo

The budget above uses the **liability coverage** estimate ($70/mo). Get real quotes and enter one in the app to replace it.

- Vehicle class: typical car. Estimates assume an adult driver with a clean record; age, record, credit, and coverage limits change the price a lot.
- Ridgecrest is one of the cheapest places in California to insure a car (about $107–110/mo average).
- A lender will require full coverage. On an older, cheap car paid in cash, liability-only can make sense — but you'd pay for your own repairs after an at-fault accident.
- California's minimum (30/60/15) is low; $100k/$300k/$100k liability is commonly recommended.
- Ask about military/government discounts (NAWS China Lake), bundling, and low-mileage discounts.

Reliability

Rating: Below average (2/5)

Notes

Added 2026-10-30 (expanded Prius search). Posted 10/19. 290k on the body, but the seller says it has a newer engine with about 140k, and the hybrid battery and 12V battery were replaced 2 years ago. New wheel bearings. Clean title, current registration. Ask for receipts for the engine and battery. About 100–105 miles from Ridgecrest via CA-14 (about 2 hours).
