Budget — paying for it

Down payment	$3,781.70
Amount financed	$0.00
Cash needed up front (down payment + inspection)	$3,931.70

The repair reserve is set from the reliability rating and mileage: money to set aside, not a forecast.

Insurance

Coverage	Typical Ridgecrest range	Estimate used
Liability only (CA minimum 30/60/15)	$49–$112/mo	$70/mo
Full coverage (liability + collision + comprehensive)	$94–$243/mo	$135/mo

The budget above uses the **liability coverage** estimate ($70/mo). Get real quotes and enter one in the app to replace it.

• Vehicle class: typical car. Estimates assume an adult driver with a clean record; age, record, credit, and coverage limits change the price a lot.

• Ridgecrest is one of the cheapest places in California to insure a car (about $107–110/mo average).

• A lender will require full coverage. On an older, cheap car paid in cash, liability-only can make sense — but you'd pay for your own repairs after an at-fault accident.

• California's minimum (30/60/15) is low; $100k/$300k/$100k liability is commonly recommended.

• Ask about military/government discounts (NAWS China Lake), bundling, and low-mileage discounts.

Reliability

Rating: Good (4/5)

Good for its age: the Tercel's 1.5L and manual gearbox are simple and long-lived, and it gets ~30 MPG. But it's 30 years old, so wear items (rubber, seals, suspension, clutch) and older-car safety are the trade-offs.

NHTSA data for this model year: 2 recalls · 59 owner complaints (25 involving a crash). Most complaints: Air Bags (21), Seat Belts (10), Visibility (6), Tires (3), Power Train (3), Engine And Engine Cooling (3).

Known issues for this model

• Age: dried rubber hoses/seals, worn suspension bushings

• Clutch wear (manual transmission)

• Basic safety equipment by modern standards; airbag complaints for this year

• Muffler delete and underglow must be made street-legal

Check on this car before buying

• Seller reinstalls the stock muffler before sale; smog certificate required

• Clutch: no slipping in 3rd/4th under load, smooth engagement

• A/C: does it work, and has it been converted to R-134a?

• Look for leaks under the car and check timing belt history

• Can you drive a manual comfortably for delivery stop-and-go?

Notes

$3,300 OBO, 169k mi, 5-SPEED MANUAL, white. Clean title, paid off, 3+ owners. Seller: 'just fixed up everything', ~30 MPG ('30 bucks a month for gas').

Mods: MUFFLER DELETE (illegal in CA - won't pass smog/inspection; seller still has the stock muffler, make them reinstall it), underglow lights (CA limits colors/use), aftermarket rims (stock included), CarPlay screen (OEM head unit kept).

Listed 41 weeks, seller 'not in a rush'.

A 30-year-old car: basic safety equipment by today's standards. You must be able to drive a manual.
